### *Wedding Ceremony Options*

Salvatore's offers on site ceremonies for couples to allow one streamline sequence from the ceremony to the reception. This option is convenient for all parties involved and can simplify the planning process. An assigned wedding director will coordinate an agenda structured to your personal style in planning this memorable event! On site ceremonies are only applicable for couples hosting their reception at Salvatore's.

### *Separate Ceremony Room Rentals*

With this option, a separate elegant space is reserved for the ceremony. Salvatore's offers beautifully decorated rooms for the ceremony of your dreams. The separate room ceremonies include wedding white draped backdrop, and white spandex chair covers on all of the guest chairs. The room rental period for a ceremony is one hour. After the wedding ceremony is completed, guests can easily proceed to the wedding reception in an adjacent room. The rental fee varies according to space desired.

### *Additional Ceremony Hour*

With this service option, the wedding ceremony occurs in the same room as the reception. At the conclusion of the ceremony, the five hour reception begins as guests enjoy hors d'oeuvres and beverages. This option provides couples the same elegant décor for both the ceremony and the reception.

### *Rehearsal Ceremony*

Couples hosting their wedding ceremony at Salvatore's may choose to plan a pre-wedding rehearsal. If you wish to practice the ceremony during a scheduled time prior to the wedding, the room will be made available for an additional cost.
